

Our Mission

To enhance the quality of life for individuals through the use of equine-assisted activities and therapies.

Our Vision

We seek to improve each person's physical, emotional and cognitive development with caring, compassion and a plan to make a difference.

Our Organization

Stable Hands, Inc. Equine Therapy Center (ETC) is a 501(c)(3) tax-exempt corporation formed in 1992. We offer valuable equine therapy that enhances the quality of life and health for special needs individuals by improving physical, emotional, cognitive and social development.

Stable Hands, Inc ETC is a member of PATH International (Professional Association of Therapeutic Horsemanship International), which provides the guidelines and safety standards of our program. PATH Intl. serves a membership of 5,500 individuals and over 730 programs across the country. More than 5000 specially screened and trained horses make safe interactions possible.

Camp Sessions

Camps are designed to accommodate children and teens ages 8+. No horse experience is necessary.

Snacks, beverages and craft materials will be provided by Stable Hands and are included in the registration cost.

Safety is our top priority. For all horse programs, we require that participants wear smooth soled shoes or boots with heels, long pants and protective helmets (ASTM/SEI helmets provided by camp).

Our summer camp is a recreational riding program and is not intended to replace formal riding lessons.

Alternative programs may be planned if weather conditions such as extreme heat or cold, rain, or wind jeopardize the safety of campers or horses.

About Our Camps

Stable Hands Summer Horse Camp is a fun and educational experience that promotes the development of life skills.

Each camp offers the opportunity to:

- Make new friends
- Enjoy both mounted and unmounted horse activities that help campers learn riding skills and horse care knowledge in a FUN and interactive environment
- Engage in various arts and crafts activities
- Get physical exercise
- Play games to keep engaged and have a blast with other campers

We have a large indoor arena, sensory trail around the property and equines of various sizes.

All sessions are guided by two highly trained facilitators in equine assisted learning that have years of horsemanship experience. They carefully match campers with an appropriate horse.
