

## **SPONSORSHIP OPPORTUNITY**

Please consider sponsorship of Veterans in the Stable Hands Veterans Assisted Sports Training (V.A.S.T.) program. Pairing veterans with horses is a well-documented therapy for the challenges of Post-Traumatic Stress as well as physical injury. V.A.S.T. offers horse-based activities to enhance the recovery from physical, emotional, social, and cognitive struggles that veterans may face in civilian life.

V.A.S.T. recognizes the bond between animals and humans, and sees the potential for emotional healing that can occur when a relationship is formed and nurtured. The V.A.S.T. Program offers veterans a non-judgmental environment in which to build confidence, feel comfortable, and progress at one's own pace as they seek to adjust to the everyday challenges of civilian life. Veterans who have gained the recommended horse skills to become a V.A.S.T. volunteer can be volunteers for those who follow in the program, thus creating a Veterans community.

The V.A.S.T. Instructor is certified by the Professional Association of Therapeutic Horsemanship International (PATH), and carries additional certification in Instruction of Heroes.

Sponsorship covers recruitment, documentation and screening of Veteran clients, instruction, evaluation, horse care and maintenance, and facility use.

**Private Giving:** A fun and unique way to sponsor a Veteran. Sponsor a Veteran as an individual, family or in honor of a loved one.

**Corporate Giving:** A perfect way to show your support for the Veteran community and a great promotional tool for your company.
